

LEGION SALE PROVES TO BE BIG SUCCESS

The first venture of the Co-operative Buying Committee of the L. A. Engle post of the American Legion in the sale of food-stuffs met with unqualified success last Saturday afternoon. Even with unfavorable weather conditions and the fact that the hours of selling had not been announced, by 11:15 a. m. everything put on sale had been disposed of, and from that hour until 1:00 p. m., many prospective buyers had to be turned away disappointed.

This initial sale of produce, which was made possible through the efforts of the local American Legion Post with the co-operation of Mayor Erickson and other city officials, has left no doubt in the minds of those engineering the project that the sale of certain every-day household commodities can be continued on a weekly and definite basis. It has therefore been announced that, next Saturday, November 1st, the second sale of foodstuffs will be held at the Central Fire Station beginning at 1:00 p. m. The committee in charge with the assistance of the Mayor and Fire Chief Norton are completing arrangements whereby products put on this sale can be handled quickly and with the least possible inconvenience to purchasers.

Commodities which will be placed on sale on Saturday next will include creamery butter, apples, extracted honey, live chickens and possibly eggs, and a much larger quantity of each will be offered than on the previous occasion.

This movement is being undertaken during the present period of high costs in order to benefit the consumer directly, and it is hoped that the householders of this district will make this week's sale a success by being on hand at the Central Fire Station on Saturday afternoon. The attention of the community is directed to the fact that no element of profit enters into this project; that foodstuffs placed on sale are of the best quality; and that articles go directly from producer to consumer at cost.

When interviewed by a Review representative, members of the Co-operative Committee expressed keen appreciation of the excellent help rendered them by Mayor Erickson and Fire Chief Norton. Nor must it be forgotten that the community owes our city firemen a debt for their efficient and gratuitous handling of the produce as it arrived in the city.

OIL BILL PASSED.

WASHINGTON, Oct. 30.—With little change from the draft as prepared by the house committee, the house passed today by a vote of 169 to 39 the old and coal land leasing bill. The measure now goes to conference.

STEVEDORE KILLED.

SAN FRANCISCO, Oct. 30.—One striking stevedore was killed and another seriously wounded late today and eight arrests were made on the waterfront after two disturbances earlier in the day in which shots were fired.

PHOENIX, ATTA., Oct. 30.—The board of directors of the Phoenix chamber of commerce today approved the adoption of resolutions opposing the affiliation of policemen and firemen with labor unions.

Common-Sense for Corns, "Gets-It"

The Great Painless Corn Loosener.
Simple as A. B. C. Never Fails.

If you have ever tried to get rid of a corn by bundling up your toe with bandages, or by using salve that made your toe red and almost

raw, or tried to drag your corn out with a knife, there will be a surprise waiting for you when you use "Gets-It." Imagine peeling your corn off gloriously, easily and painlessly, just like peeling off a banana skin. Well, that is what happens when you use "Gets-It." There is nothing else that will give you this same result. Millions of folks have had the same blessed experience. Why putter and suffer, limp, and spoil a good time for yourself and your friends, or your peace of mind while trying to attend to business? Use "Gets-It," the simple common-sense way. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Bisbee and recommended as the world's best corn remedy by Phelps Dodge Mercantile company and Central Pharmacy. Adv.

DAILY PUBLISHERS TO MEET IN STATE CAPITAL
PHOENIX, Oct. 30.—A meeting of the Arizona Daily Newspaper Publishers' association has been called by the president and secretary of the association to be held in Phoenix Tuesday and Wednesday, November 4 and 5.

No complete program has been prepared as yet by the committee for the meeting. These arrangements have been left to the Phoenix members. It has been proposed, however, that only morning sessions be held, with the possible exception of an evening meeting. This arrangement is proposed in order that the publishers may avail themselves fully of the state fair, which will be in progress at the time. It is hoped that every daily newspaper in Arizona will be represented at this meeting. George H. Kelly is president, and Lawrence D. Clark is secretary of the association, which was organized last spring at Tucson.

BIG TIMBERMEN ARE HIT BY INCOME TAX
PHOENIX, Oct. 30.—Lumbermen who are included among the income tax payers of the state will be supplied with questionnaires shortly with 90 days in which to reply to queries relative to the amount of timber they own, the cost when purchased and the present value.

This was the announcement made yesterday by Swift Berry, forest valuation engineer with the bureau of internal revenue, who is here for a few days.

Mr. Berry said the timber section established in the division of natural resources will be divided into nine regions, Arizona being in the region in which are California, Nevada and southern Oregon.

RICH MINE STRIKES MADE BY TWO MESA CITIZENS
MESA, Oct. 30.—Luck has fallen to two Mesa men, according to reports made yesterday, and on two separate mines, at that. Victor Lamb, after what he claims to have been 25 years of unsuccessful mining, is much elated over a big grade of Vanadium silver ore struck in Potts Canyon, close to the old Silver King mines in Pinal county.

The other fortunate Mesaite is W. T. Crawford, who in the mine near Winkelman, in which he is interested, claims to have struck an exceedingly rich lot of silver and lead ore. Since both men are experienced in the mining game, their friends are congratulating them on their prospects.

ESPIONAGE CASE AGAINST "EDITOR" DUNBAR DROPPED
PHOENIX, Oct. 30.—The case of the United States vs. John O. Dunbar, editor and owner of Dunbar's Weekly, was dismissed by Judge Neterer of the federal court yesterday.

Dunbar was charged with violation of the espionage act, his arrest occurring shortly after the publication in his paper of an alleged attack on the local Liberty Loan committee.

The case was one of the important

of many dismissed before the court adjourned yesterday morning.

E. Lisenmeyer, a wealthy butcher, whose arrest on the charge of violation of the same act, occurred during the war, was another defendant whose case was dismissed. Lisenmeyer, who contributed largely to the Red Cross and supported the bond issues liberally, was alleged to have made pro-German remarks.

Gus A. Streitz and Richard P. Parthum, who were alleged to have violated the espionage act, will not be tried, their case having been among those dismissed by the court.

VOTE OF MISSING DISTRICT CARRIES DRAINAGE MEASURE
PHOENIX, Oct. 30.—One of the four propositions voted on by the stockholders of the Salt River Valley Water Users' association was carried. It was the drainage amendment, and the final result was learned late Wednesday, when the returns from the tenth district, near Gilbert, were received. The total vote was: For, 29, 200; against, 28,631.

OREL RECAPTURED

HELINGSFORS, Oct. 30.—A report from Russian sources received here says General Denikin has recaptured Orel from the Bolsheviks, and is advancing toward Moscow.

GRIP, INFLUENZA

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.
